## 🎃🎃 Cóisir na Samhna 🎃🎃

We had a fantastic day at school when everyone dressed up for their Halloween Party. Everyone made a fantastic effort and contributed to the party. We hope everyone had a fantastic Halloween break!

To check out more photos and videos visit our Facebook page and our Youtube channel.

# Lá Bia Domhanda

We had a fantastic day celebrating World Food Day. Each class chose a different country and the children prepared different types of food from that country. A lot of work went into making it a great day for the kids and they enjoyed every minute of it. A massive thanks to everyone who prepared food at home, you helped add to this fantastic day!

**Maith sibh!!**

# Glens Red Squirrel Group

Daniel from the Glens Red Squirrel Group came to school this month to give a presentation on na hIoráí Rua (red squirrels) in the country. The children had a great opportunity to see some photos and videos on red squirrels and other animals we can see in our area. The children really enjoyed this school visit and we're very thankful to Daniel for visiting our school. To find out more about the different type of work the group carries out, visit their website at <http://glensredsquirrelgroup.com/>

## Car window stickers

The school has some free car window stickers to give out to anyone who would like to display them proudly on their car. The sticker was designed by a past pupil and is a great way to support your school. If you would like a sticker, or know anyone that would, contact the school or call in to the office any time.

## One chapter ends ... as a new one begins

The whole school came together today for the last time at the green mobile classrooms. Each Gaelscoil pupil in this photograph has spent at least one year in these rooms and they have lots of lovely memories in them. The mobile has been knocked down over the Halloween break and work has begun on our new £1/2 million development, giving us a new multi-purpose sports hall, a staging area, two new top of the range classrooms and new outside play area.

Therefore, as we think about the great times over the years, let us think of the exciting years that are in front of us in the new building!
