Litearthacht/Literacy

- Read, read, read! Ensure your child reads every day. Encourage your child to describe the characters in the story and what they like or don't like about them. Revise Keywords covered so far in your child's reading books and encourage them to make some of the words using the letters and Velcro strips.
- On the [Clár Luathléitheoireachta](#) website you can play games connected with your child's reading books, covering sentence ordering, syllables and initial sounds. (Search Clár Luathléitheoireachta in Google)
- If you search Phonics Bloom in Google, you will find games in English based on Initial Sounds and Rhyming Words.

Mata/Maths

- It is extremely important that your child keeps up their mental maths skills. Use www.topmarks.co.uk to practise number recognition, sequencing, shapes and mental maths skills.
- On the [topmarks](#) website you can search for games on a range of maths topics. Try some of these key words: counting, ordering, sequencing numbers, addition and subtraction, money, weight, shapes and measures.

An Domhan Thart Orainn/ World Around Us

- If weather permits, go on a Nature walk with your child and talk about the signs of Spring which you see / hear and smell around you, encourage your child to spend as much time outside as possible.
- Encourage your child to investigate the environment around them and talk to them about the differences in your childhood and theirs.

Ealaín /Art

- Ideas: Use pencil/ colouring pencils/ markers/craft materials to create a picture of a Spring scene or the environment around them.
